

PRINCIPLES OF A QUALITY TECHNICIAN

HOW TO BE THE BACKBONE OF YOUR THEATRE PROGRAM

BE COMMITTED TO FULFILLING THE VISION OF THE DIRECTOR AND DESIGN TEAM

BE COMMITTED TO SUPPORTING THE PERFORMANCE EFFORTS OF THE ACTORS

BE COMMITTED TO WORKING AS A MEMBER OF A TEAM.

ALWAYS GIVE YOUR BEST EFFORT.

SEEK REWARDS FROM THE CHALLENGE OF THE WORK, NOT THE APPLAUSE. REWARDS ARE TWO FOLD: A HARD JOB TACKLED AND A HARD JOB WELL DONE.

STRONGLY IDENTIFY WITH YOUR HARD WORK--IT IS WHO A TECHNICIAN IS. WHAT I DO AND DON'T DO COUNTS. MY WORK REPUTATION IS DISPLAYED ON STAGE.

ADAPTED FROM J. E. ELLERY, TEK GOD PRODUCTIONS
