

BASIC SHOP SAFETY RULES

SAFETY IS THE TOP PRIORITY. IF YOU ARE NOT SURE--ASK!

- Make sure you are properly trained on equipment before you use it. Only authorized users allowed to use equipment.
- Wear appropriate clothes (long pants, closed toed shoes).
- Wear personal protective equipment (safety glasses and hearing protection)
- Pull back and secure long hair, jewelry, lanyards, and loose clothing.
- No headphones or earbuds--wired or not.
- No food or drink allowed.
- Do not distract someone using equipment.
- Stay with equipment until it stops running.
- If you find a piece of equipment not working properly, unplug or disconnect it and immediately notify the supervisor.
- Don't remove or bypass safety features such as guards or emergency stops.
- Keep work area clean.
- If you are injured (even a minor injury) seek medical attention and notify supervisor.

This is a SAFETY FIRST shop!
